

Camp Killoqua

Day Camp Assistant Summer 2020

Light the fire within

Dear Applicant,

Thank you for your interest in Camp Killoqua's Day Camp Assistant (DCA) program!

Being a Day Camp Assistant benefits both campers and you. It's a great way to volunteer with younger kids, while gaining valuable leadership experience. If selected, you'll work with staff mentors, who will coach you and give you opportunities to lead a cabin group. The job *will* be challenging at times, but you'll increase your skills and confidence. Another bonus – you can earn volunteer experience hours as you have fun at camp!

For new DCAs, the program starts off with a weeklong leadership training during session 2, June 28-July 2. We've developed this exciting training program to prepare you for your role at camp and build your leadership skills. You'll spend a few hours a day training with other DCAs and work with Killoqua's leadership staff as your advisors (see full description at the bottom of the page). You'll also get to know the summer staff and participate in many fun camp activities as you learn to help lead them. Upon completion, you'll be assigned to work cooperatively with various staff members throughout the summer in the Mon-Fri Day Camp program as a DCA.

Returning DCAs may choose to attend the DCA Orientation week session 2 (June 28-July 2) with the new DCAs. This is an opportunity to brush up on your DCA skills, catch up with other returners, and share your experiences with new DCAs. You can also choose to skip the orientation and start directly with their first volunteer week(s).

Being a Day Camp Assistant is a big responsibility. Please read the following job description carefully so you understand the position for which you are applying!

Dates

DCA Orientation during resident camp session 2(see above), plus a week or more as a Day Camp Assistant. Your DCA week(s) are set by finding time that works for both you and camp. You may choose to ride the bus or get dropped off by 9am and picked up after 4pm when volunteering.

Program Fee

DCA Orientation will cost \$400 if registered by April 15, 2020.

The weeks participants volunteer as DCAs, their program costs are covered by Killoqua. Camperships may be possible for the training session; call us for details.

Requirements for Applicants

- Entering grade 8 or higher in fall 2020.
- Participate in the full training week if new.
- Serve as a DCA for one or more summer sessions.
- Interest in working with children and further building your leadership skills with them.

Application Process

1. Complete and return the application to the address listed. **Applications must be received by February 15, 2020.**
2. When your complete application is received, we will contact you to let you know whether we will interview you. Interviews are by phone, and will be conducted during early March. This is a selective program; an interview for or acceptance into it is not guaranteed. However, all interested and eligible applicants are encouraged to apply. **Applicants will be notified of acceptance by March 25th** pending completed reference checks. We are looking for people who have great potential to grow as leaders!

Please call if you have any questions at (360) 652-6250 or e-mail at killoqua@campfiresnoco.org. We appreciate your interest and look forward to hearing from you soon!

Sincerely,

Emily "Ed" Drew
Assistant Summer Camp Director

DCA Orientation- A Leadership Training Session!

Session 2 is a chance to do lots of fun, interactive leadership training. You'll spend about two hours each day specifically devoted to building skills that will help you not only at camp, but at school and with your other activities. The stay at camp also gives you more time to learn about Day Camp programs and how to work with campers. You'll also get to know the staff and other new DCAs, and participate in camp activities before you help lead them. Plus, there will be time to "be a (teen) camper" and do activities like the high ropes course! Our goal is to fully prepare you for the DCA experience, so when you come back, you're ready to dive in. Get ready for an exciting, memorable week!

A Note to Parents/Guardians

Thank you for supporting your teen's interest in this leadership program! As your camper starts the application process, you can help by letting him/her "do all the work." Sometimes it's easier or quicker if the parent contacts us with questions or to confirm an interview time, however, we like the applicants to do all of these things themselves. This helps teens get more comfortable making calls and building the other skills that go with researching and interviewing for a job or volunteer opportunity. Thanks for your help with this ... and if you do have any questions of your own, feel free to contact us directly!
