

How do I register?

Register your camper online through [UltraCamp](https://www.ultracamp.com/clientlogin.aspx?idCamp=652&campCode=cfs):

<https://www.ultracamp.com/clientlogin.aspx?idCamp=652&campCode=cfs>

If you haven't attended before, you'll need to create an account. To reduce duplicate accounts, returning camper families can email registration@campfiresnoco.org to find out their login information if they've forgotten, or use the forgot username/password features on the UltraCamp login page.

There are a couple of forms to fill out. Please plan to take 20-30 minutes to complete registration, or plan to submit your registration and return to complete these forms no later than 2 weeks prior to your camp session.

During the registration process, you can add spending money to your camper(s)' camp store accounts, purchase one-way email letters to be sent while your camper is at their session, or add an additional donation to Camp Fire Snohomish County to support us! For more information on camper store money, please click [here](#) to visit our website.

Are scholarships/financial aid available?

Please complete the scholarship application available online through [UltraCamp](https://www.ultracamp.com/clientlogin.aspx?idCamp=652&campCode=cfs):

<https://www.ultracamp.com/clientlogin.aspx?idCamp=652&campCode=cfs>

Our financial aid application is a bit more thorough than in previous years. We appreciate your understanding as this process will help us better understand the financial needs of our camper families. Our priority consideration deadline is 1/1/2026. While we would like to support everyone applying for financial aid, our funding is limited.

Do you offer any discounts?

We offer three discounts during registration: military family discount, multi-session discount, and a sibling discount.

Our military family discount is available to those with an active-duty family member. Please select 'yes' during the registration process and email registration@campfiresnoco.org with documentation of active duty (photo ID, paperwork, etc).

The multi-session and sibling discounts are automatically applied. For multi-session discounts, the first session your camper is signed up for will be full price and any subsequent sessions will be \$20 less. For sibling discounts, your first camper registered will be full price, while your subsequent camper(s) will be \$20 less.

Alternate payment partnerships

Camp Fire Snohomish County can receive funding from DSHS/DDA. Please email registrar@campfiresnoco.org with your case worker's name, email, and the session(s) you'd like to send your camper to.

Some of our camper families get reimbursed through their employer or other third-party programs, which is absolutely acceptable! A heads-up is appreciated, but not required, if any verification is required by Camp Fire Snohomish County.

How many seats are available on the bus?

Bus seats are extremely limited, especially for sessions 1 and 9 when bus drivers are still wrapped up in their school year bus routes. Please register for the bus as soon as possible and be prepared with a backup plan for transportation if we're unable to get your camper(s) off the waitlist. The bus is unavailable for our pre-school campers.

Can I switch my camper to a different session?

We understand that plans change sometimes! Switching sessions is subject to the availability/occupancy of the session you're requesting a change to. Session changes within 2 weeks of your originally registered session will incur a \$20 administrative fee.

I need to cancel- what is your policy?

All deposits are non-refundable. Payments made beyond the deposit will be refundable up until two weeks prior to the session start date. Within two weeks of the session start date please contact killoqua@campfiresnoco.org directly if you would like to request a refund of any payments above the deposit amount. Deposits may be transferable to another program within the same calendar year.
